We manufacture high-end contemporary furniture, designed and custom-made with unparalleled comfort to meet customer needs and satisfaction. Jaymar stands out not only for its high-quality furniture, but above all, backed by the best warranty in the industry.

We believe in what we make!

Recognized in the industry since 1956.

150 000 ft² ultra modern factory located in Quebec.

Employs over 160 full-time employees.

A 6 000 ft² department dedicated to research and development.

An in-house team of engineers, pattern-maker and designer.

All the phases of construction are done at our factory to ensure rigorous design testing and adherence with highest quality assurance.

OUR 4.0 CUSTOMER SERVICE

After Sales Services

When you buy a Jaymar product, you benefit from an additional protection on your furniture. An after-sales service is offered in case of breakage, a problem or if you simply need advice on the care and maintenance of your furniture. Jaymar has also recently implemented a new Customer Service 4.0 software application which now enables us to quickly respond with our retailers and technicians via a Web platform. Photos, follow-ups and information are now accessible in real-time and at all-times. We also have our own field service technicians to ensure to give a turnkey service.

Precursor in their industry, Jaymar becomes an eco-friendly company

In terms of sustainable development, Jaymar focuses on 3 important points:

Economic dynamism, Environmental Quality and Social equity.

Above all, we believe that the best way to be environmentally friendly and to protect the environment begins with the production of quality products. By buying our products proudly made in Canada and made to last, you make a wise eco choice!

In 2019 Jaymar became the precursor in his industry at the environmental level.

• No more plastic bottles, Styrofoam cups, straws and plastic utensils in the factory as well as in the showroom.

• Jaymar composts.

• Jaymar recycles paper and cardboard.

• A garment depot to be given or recycled has been set up at our factory in partnership with Certex.

• Jaymar partnered with Certex, a non-profit organization specializing in textile recovery.

OUR SHOWROOM

Another advantage for choosing Jaymar Furniture is that you not only benefit from an outstanding sales service at our retailers but also at our showroom, which is open 7 days a week with a team of consultants ready to answer all your questions.
